

Hello Figure Skating Families!

We will hold registration Saturday, September 25th, 11-1pm, at the Equal Access Playground at Tautphaus Park. Board members will be there to collect membership dues, forms, volunteer check, and ice payment. Please note that you will not be allowed on the ice without your membership payment, forms and ice payment. A punch pass or drop-in rate will apply to each club ice session until full ice payment is received. There will be a \$50 late fee for payments received after October 31st and ice privileges will be revoked until payment has been received. Please refer to the registration packet for pricing details.

We will have club ice Mondays 3:45-5:15pm and Wednesdays 4:15-5:15 pm. In order to provide our younger members with a safe time to skate masks will be required to be worn on all Monday club ice times. Masks will be optional on Wednesday club ice unless otherwise mandated by local or USFSA requirements. According to USFSA guidelines, all sanctioned events will require masks to be worn at all times, unless performing on the ice. This means that any show, competition, or test session IFFSC holds, or attends, will require masks to be worn by all in attendance. Please respect these rules and do your best to social distance so that we can have every opportunity for a full season of ice.

The following Saturdays 5:00-7:00 pm, are currently designated as club ice (please always double check the rink schedule):

November 6, 27

The Holiday Show will be December 18th @ 5:30 pm with a dress rehearsal @ 11-1 pm..

The rink is scheduled to close March 26th. Further details about a Spring Show will be forthcoming.

We are planning a few fundraisers this year that each member will be expected to participate in. Further details about these will be coming. Also, each IFFSC family is required to provide a minimum of 10 hours volunteer time per season. A postdated (April 12, 2021) check in the amount of \$100 will be required. If volunteer hours are not met, the check will be deposited into the IFFSC account at the end of the season.

Idaho Falls Figure Skating Club VOLUNTEER Contract

Simply put, IFFSC cannot function and operate without volunteers. All club officers, board members, and committee members are volunteers. We know that it is difficult to balance busy schedules and still find time to volunteer. However, without the help and support of its members through volunteer hours contributed, the IFFSC cannot perform its functions. A club with active volunteers not only helps spread the workload, but it also makes events successful and FUN for our skaters! We thank you in advance for helping make our club work more effectively for our skaters!

IFFSC requires a minimum of ten (10) volunteer hours per membership year for each skater family. All volunteer hours must be performed by April 12, 2022. We will record hours on a form which can be found in the IFFSC files at the ice rink. IFFSC requires all families to turn in a postdated check (dated April 12, 2022) in the amount of \$100, at the time of club registration. If volunteer hours are met this check will be returned to you. If volunteer hours have not been met, the check will be deposited. Not meeting this requirement means that you will not remain in good standing with the club and your membership will be flagged as such with USFSA. This will result in your ineligibility for competitor funding, scholarships, and other club benefits etc.

Idaho Falls Figure Skating Club Coaches' Code of Ethics, Standards and Conduct

Mission Statement: To provide a standardized guideline of ethics, standards and conduct to ensure the quality, integrity and moral environment of U.S. Figure Skating, its member clubs and programs.

Purpose: CLUB/PROGRAM is committed to creating a safe and positive environment for members' physical, emotional and social development and ensuring that it promotes an environment free of misconduct. This information is intended to provide both the general principles and the decision rules to cover most situations encountered by coaches and instructors. It has, as its primary goal, the welfare and protection of the individuals and groups with whom coaches work.

It is the individual responsibility of each coach to aspire to the highest possible standards of conduct. Above all, coaches of young people can have great influence on developing athletes who are reliant on these coaches for the basic instruction and guidance necessary to reach the top levels. Coaches can have tremendous power over these athletes in their quest to the top. This power must not be abused. Therefore, we have set forth these codes of ethics and conduct to guide our coaches and protect our athletes for the mutual benefit of all concerned.

Coaches must comply with General Principles and Ethical Standards as stated by USFSA.

Further, any person who makes groundless allegations or complaints of abuse or harassment may be subject to disciplinary action per Article XXV, Section 3B, of the U.S. Figure Skating bylaws.

Coaches Code of Conduct:

- Must obey and abide by all U.S. Figure Skating published rules, regulations and procedures.
- Must abide by current club rules and mandates.
- Shall maintain exemplary standards of personal conduct.
- Must obey all state, national and international laws.
- Must not use alcohol, illegal drugs or substances, which could impair ability or judgment as a coach.
- Must refrain from using any profane or abusive language.
- Must not engage in sexual harassment or sexual misconduct with any athlete
- Must teach and support the athletes fairly and equitably.
- Never discriminate against any athlete

I understand that as a U.S. Figure Skating member coach and an Idaho Falls Figure Skating Club coach, I have assumed certain responsibilities to prepare, develop, be an advocate and role model. I agree to the "Coaches Code of Conduct," have read the "Coaches Code of Conduct" and understand what is expected of me.

*Also refer to the PSA Code of Ethics and Tenets of Professionalism for more information.

Idaho Falls Figure Skating Club

Basic Ice Usage, Etiquette and Safety Rules

BASIC RULES GOVERNING ALL BEHAVIOR

1. **Adhere to all Joe Marmo/Wayne Lehto Facility Rules and Administrative Policies**
2. Please respect the rights of others.
3. Please respect the arena's and other's personal property.
4. All club members will agree to and sign the Idaho Falls Figure Skating Club Skater Conduct Agreement prior to the first club ice session.
5. No breakable containers are allowed rink side. Drinks are allowed on or below the railing. Food is not permitted near the rail or on the ice.
6. *Please pick up all belongings (including dirty tissues, water cups, bottles, etc.) at the end of the session.*
7. If skaters must talk to someone **off** the ice, even if for a brief time, they need to get off the ice to do so or the skater will be asked to leave the ice.
8. *Parents, skaters not in the session or other spectators should not loiter at the rail or benches. This is unsafe and it interferes with a constructive training session.*
9. *During competitions, coaching by parents from the bleachers, benches or railing is **not** allowed at any time. Parents will be asked to leave the arena if this happens.*
10. *The benches by the ice are to be used by the skaters and coaches only.*
11. *For city freestyle sessions, pay for each session before stepping on to the ice.*

RIGHT OF WAY

1. The skater doing a routine to music has the right of way. Orange vests are in the cage and are provided to help identify the skater whose music is being played. Please stay aware of which skater is doing his or her routine and do your best to stay clear of his or her pattern. Please wear the vest or belt when you play your music to help other skaters know you are skating your routine.
2. Do not restart music or programs. If you voluntarily stop your program or music, you will need to "get back in line."
3. Skaters taking a lesson have the right of way over general skaters in the session.
3. It is important for everyone's safety that all skaters stay aware of other skaters on the ice. Try to anticipate their patterns as you decide your own pattern.
4. If you are a less experienced skater, please be extra careful to stay aware of other skaters and to look ahead of where you are skating to see what others are doing or are about to do.
4. If you are an experienced skater, please be patient with the less experienced skaters. **Remember – you were new at one time, too.**
5. Please be understanding if someone gets in your way.
6. Remember to look both ways before leaving the railing or skating across the ice.
7. Keep moving while on the ice, as it is dangerous for both you and other skaters to stand still during a session. It is especially important not to stop in the middle of the ice or any of the jumping corners.

MUSIC

1. Program music will be played on a rotational basis. This should be done on the honor system, with the responsibility left to the skaters and coaches. If necessary, music rotation may be supervised by an IFFSC board member.
2. After a skater's music has been played, their music or another program may be put at end of the line to re-enter the rotation. Dance music can take the place of program music.
3. Coaches may put the music of the student they are teaching ahead of other skaters, limited to twice per 30 minute lesson. Everyone should appreciate this policy when they are in a lesson enjoying this privilege and graciously accept this policy when they are the ones being asked to wait in line.
4. Please do not stop and restart your music if others are waiting in line.
5. Please handle the music equipment with extreme care.

PROHIBITED BEHAVIOR

1. *Kicking, digging holes, scraping or stomping the ice with your blades and kicking the railings are prohibited. Any skater engaging in this behavior will be asked to leave the session immediately.*

2. *Being verbally abusive to other skaters or coaches is prohibited. Any skater engaging in this behavior will be asked to leave the session immediately.*
3. *Deliberately challenging, scaring or intentionally blocking another skater is prohibited. Any skater engaging in this behavior will be asked to leave the ice immediately for an indefinite period of time.*
4. *Videotaping anyone other than your own skater is strictly prohibited and will not be tolerated. Anyone engaging in this behavior will be asked to leave the arena for an indefinite period of time.*
5. *Failure to comply with any/all of Skater Conduct Agreement may result in loss of ice user privileges for current and/or future sessions. No refunds or credits will be given for lost sessions due to failing to comply with Skater Code of Conduct.*

Clearing the Ice

When the ice-resurfacer horn sounds or Zamboni doors at the end of the rink open, all skaters and coaches must leave the ice immediately. If you are skating to your music, please stop skating immediately, turn off music and clear the ice – no exceptions.

Non-Member Admission to Club Sessions.

Non-members may attend club ice as guests of IFFSC members a maximum of three times during the skating season and only with permission of a board member. Guests may be denied access to the ice at the discretion of a board member, and guest fees will be set at a higher cost than member fees, as determined by the Board of Directors. It will be the responsibility of the member host to inform his/her guest of all club or rink skating rules.

Rink Culture: The Rink Etiquette Diagram

Suggested Areas of Instruction:

- Closer to competition time, coaching should be done from the side or off the ice completely. Practice as you compete, compete as you practice.
- As a general practice, do not let skaters skate behind you.

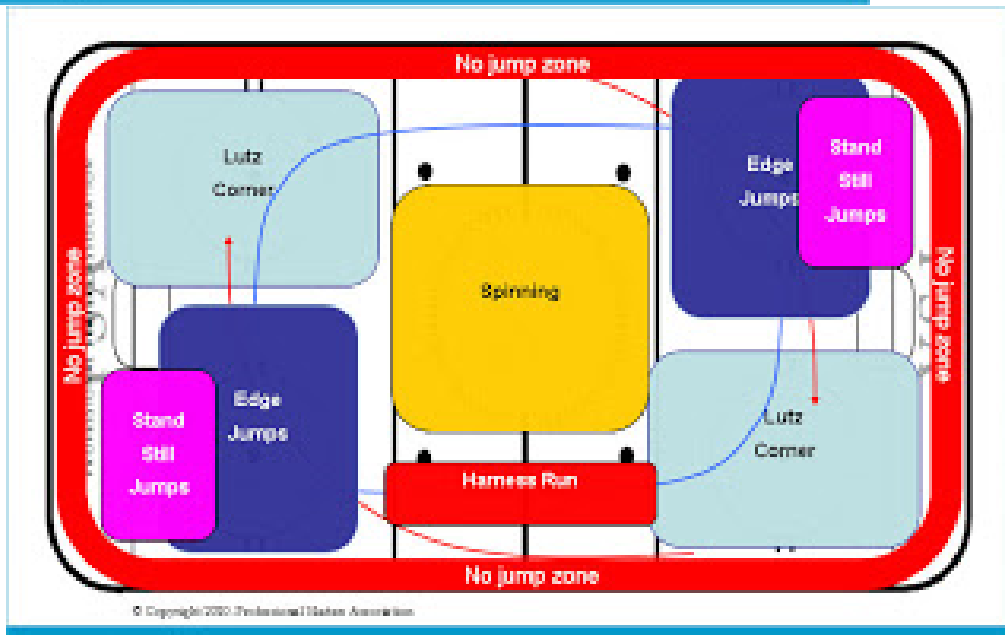

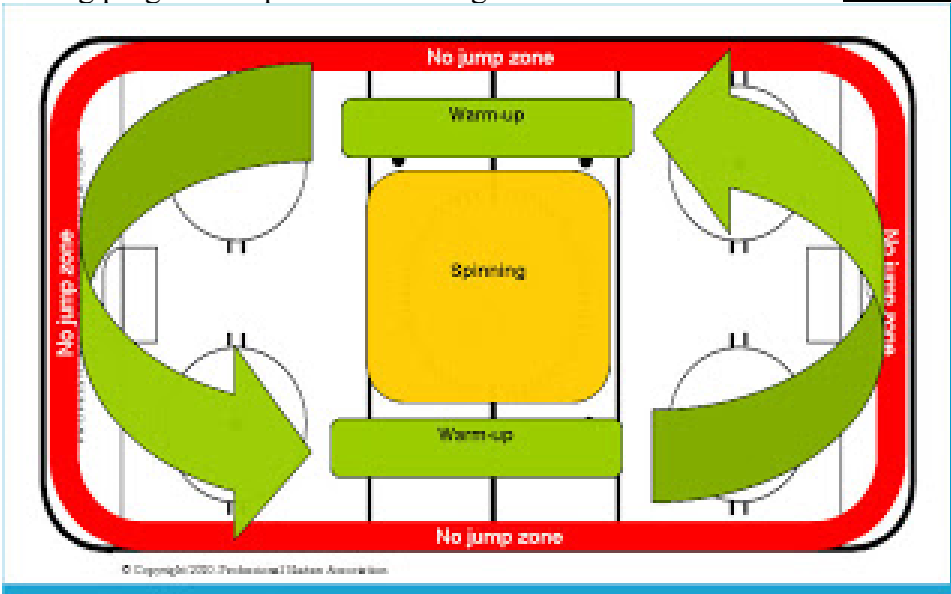

- Coaches have the ultimate responsibility to control the safety of a session.
- When teaching spins, it is advantageous to do so in the

center of the ice. This cuts down on the skater having to travel straight across the traffic pattern to the barrier and less disruptive to the flow of traffic.

- Coaching corners- a great spot to teach younger skaters who need closer attention.
- Avoid standing jumps using the blue lines or the center red line. This can be very disruptive to the flow of traffic and dangerous for the skater. If required, use the area in the second half of the session. The rationale being that generally there is less skating activity as the session progresses.

The following are some diagrams that are handy for teaching skaters traffic flow protocol. As a disclaimer, these are suggested. Each individual arena will have exceptions based on the skill level of skaters, and the individual needs of the arena and skating program. Copies of these diagrams can be downloaded at www.skatepsa.com/forms.

U.S. Figure Skating and the Idaho Falls Figure Skating Club strive to provide a safe environment for its members, one that is free of abuse and harassment. The association will not tolerate or condone any form of harassment or abuse of any of its members including athletes, coaches, officials, directors, employees, parents, volunteers or any other persons while they are participating in or preparing for a figure skating activity or event conducted under the auspices of U.S. Figure Skating. All forms of abuse and harassment are unacceptable and in direct conflict with U.S. Figure Skating rules.

Our director will monitor the SafeSport policies and procedures of the club; verifying that all of the coaches who are engaged in any type of coaching activity with any club skater are in compliance with the USFS coaching membership rules regarding background checks and continuing education requirements; and serve as the initial contact in the club for persons to report suspected abuse, misconduct or other violations, and when necessary, report such information to USFS.

The IFFSC SafeSport contact information is listed on our website. www.idahofallsfsc.org

REPORTING OF A SAFE SPORT ISSUE

Anyone who feels that a Safesport violation has taken place should contact our Safe Sport Chairperson via email. Violations may include (but not limited to) photography in locker rooms, bullying, physical and verbal abuse.

The email must include information as to the violation and supporting information must also be given for action to take place.

SAFESPORT BULLYING INFORMATION AND GUIDELINES

Safe Sport/Conflict Disciplinary Actions

If a Safe Sport situation regarding bullying occurs, the following steps will be followed.

1st offense: A verbal warning will be given to the offending party/ies by a club official or coach. That person will also send an email to our safe sport chair documenting the incident including date, time and those involved in the incident.

2nd offense: A written warning will be given to the offending party/ies by a club official with coaches & parents of all parties involved present.

3rd offense: Suspension up to club expulsion will be issued with the period to be determined by the board of directors.

The Board of Directors reserves the right to escalate the level of discipline regarding an incident based on the severity of the issue.

It is the expectation that all club members and families of club members will honor the code of conduct they agreed to upon membership renewal of their skater/s.

Gossip, slander of other members/families and sharing of sensitive information will not be tolerated and could also result in disciplinary actions.

GRIEVANCE & CONFLICT PROCEDURES

Most of the time conflict arises, miscommunication is to blame. The Board of Directors is committed to helping with conflict and will create a Grievance Committee/Process to help with conflict and move toward resolution.

The committee resources are available to skaters, coaches, parents and any individual who is in direct contact with club happenings. The committee may also appoint individuals to assist based on a particular situation.

Following US Figure Skating Code of Conduct, all skaters/parents and coaches have agreed and signed a contract each year to be respectful, professional and supportive of all members/families involved with IFFSC.

Going forward from today, the IFFSC Board of Directors asks that when a situation arises, the parties involved work together to resolve the problem directly affecting them. Most situations should easily be rectified with good open communication.

A party should not solicit help from another parent, coach or skater unless that person is directly involved in the conflict. Doing so in the past has resulted in continued miscommunication and further harm in rectifying reasonable solutions for all involved and is not the direction nor mission of the IFFSC Grievance Committee.

If a skater, coach, parent or other party feels they are unable to resolve a conflict, a formal written grievance may be submitted. The Grievance Committee will read the grievance, meet with the parties involved and offer unbiased resolution for all parties involved quickly, with the best interest of the IFFSC in mind.

After reading the preceding information in its entirety please fill out, sign and return the last three pages of this packet to an IFFSC board member.
